PORTAL ZNANJA

KNOWLEDGE PORTAL

Izzive, ki so pred nami, lahko učinkoviteje naslavljamo s pomočjo znanja, ki nastaja v okviru številnih raziskovalnih projektov, raziskovalnih institucij, javnih in svetovalnih služb ter inovacij kmetov, gozdarjev ter živilsko predelovalne industrije. Z namenom omogočiti lažji dostop do rezultatov je na voljo informacijski portal znanja s čimer želimo krepiti Sistem prenosa znanj in inovacij v kmetijstvu (ang. Agricultural Knowledge and Innovation System – AKIS).

Po ključnih besedah pobrskajte v knjižnici portala znanja in poiščite vsebine, ki vas zanimajo. Z novim znanjem boste uspešnejši!

Imate gradivo, ki bi lahko koristilo tudi drugim? Posredujte nam ga na e-naslov mreza-podezelje.mkgp@gov.si
